Dexter Mosley Act (Grades 6-12)

Under the Dexter Mosley Act (Senate Bill 42), home study students in grades six through 12 are eligible to participate in extracurricular and interscholastic activities in the Washington County School District (WCSD). In order to participate, home study students shall complete at least one qualifying course during any semester the student participates in an extracurricular or interscholastic activity. A “qualifying course” means an on-site course, an online course facilitated by WCSD or a dual enrollment course. Participation is only available at the public school in which a home study student would be enrolled based on his or her residence.

To enroll a home study student in at least one WCSD course in order to participate in extracurricular and interscholastic activities, please complete the online registration form linked below. Once you have completed the online registration, a school-level representative will contact you with additional information.

Please note: Families interested in enrolling under the Dexter Mosley Act must complete the same online enrollment application as full-time WCSD students. When completing the Student Demographics Section of the application, please check the box labeled “Is this student enrolling under the Dexter Mosley Act (For Homeschool Students)?”

Deadlines to Apply
